Subject: Reference Letter for Selamawit Abera Nigusie

Dear Sir/Madame:

I wrote this letter in reference to **Selamawit Abera** request for a letter of recommendation as a Lecturer and Chair Head in Architectural Design, Urban & Regional Planning.

We have maintained contact through many courses. Besides that, I know her for the last 5 years as a student of Architecture, in the school of Civil Engineering and Architecture in the Technology of Institute, Dire Dawa University.

I found she is diligent, committed and highly responsible on her requests for class assignment. She has a clear way of presenting ideas on written Exam, Project and Assignments. She has an excellent cooperative and communication skill, a well-disciplined study relationship with class mate and group members. She has consistency demonstrated a strong work ethics and dedication to success. Moreover, during my time as a member of supervisory team evaluating students' individual and group semester project performance, i observed her good performance in individual and group semester projects.

Selamawit Abera put in sufficient work to be a BSc graduate of Dire Dawa University in Architecture. Overall, I would strongly recommended her for the Architectural design professional positions and postgraduate studies what she applied for.

If you have any question regarding **Selamawit Abera**, please feel free to contact me.

Sincerely,
